**WORKING TO RELIEVE POVERTY AMONG FAMILIES IN RURAL KENYA**

Mrs Tanya Ogden  
Welken Cottage  
Hardington Mandeville  
Somerset BA22 9PE

31<sup>st</sup> October 2018

Dear Tanya and the Hardington Players

On behalf of the Trustees it gives me much please to write and thank you so much for your wonderful support in organizing and taking part in your Wonderful Murder Mystery Evening and raising the magnificent sum of £600:00 for the proposed new Secondary School at Ivonangya in Eastern Kenya.

We can assure you that every penny will be used in supporting this project in this region of Africa.

I am sure you will have heard from Ray that we will be starting Construction on site next year, with a view to the School being up and running by early 2020. The money you have raised will go in helping us achieve that goal.

Now that sufficient funds are in place Ray and I will be travelling to the region early next year and will be appointing a suitable Building contractor, hopefully the work can start straight away.

I will try and keep you all informed on our progress.

Thank you once again most sincerely for your support, hard work and effort in helping the Students their parents and all who strive for Secondary Education in this deprived region of East Africa.

Sincere Best Wishes from the Trustees.

Colin Martin (Chairman of Trustees)
